Membership Season Pass

The VMA is offering a membership Season Pass for the 2024 race season. A season pass is non-refundable unless otherwise determined upon a review by the board. This includes Membership, 5 practice dates, 11 races x 2 race entries, and gate entries for practice and race weekends. If a member signs up for additional classes there is still a \$20 fee per class. Transponders are not included in a 2024 season pass. Racers are still required to fill out a membership form as well as each form per practice and race day, including the minor liability form if under the age of 18. All season pass holders will be given a season pass ticket and may be asked to present it at the gate or at the office window during registration (online sign ups are available). If a member is believed to be sharing their pass with others the VMA reserves the right to revoke the season pass without a refund.
